

# CONNECT, ENGAGE & INSPIRE

## Mentoring Program

**Connect, Engage & Inspire** is a holistic leadership initiative that supports future mentors with the resources and guidance they need to develop their repertoire of core mentoring practices, skills, mindset and behaviours to accelerate the personal and professional development of mentees.

This evidence-based program is centred around the 7-Factor Mentoring Model™ (see below), focusing on case studies, research-based theory and practice, and meaningful strategies for creating meaningful mentoring relationships.

## The Program Overview

Group Learning Sessions

1:1 Coaching Sessions for mentor & mentee

Check-ins & best practice sessions

Evidence towards Proficient or Highly Accomplished Teacher Accreditation (e-Portfolio provided)

## Why Choose Us

We aim to understand the 'bigger picture' within your organisation when it comes to the Connect, Engage and Inspire Mentoring Program. We want to discover your key organisational culture, strategic and people focus areas and work with you to align program outcomes with your priorities. By taking a systems perspective, we get that small shifts in one area can have big impacts on others!
